Dalton Transactions

Dear Dr Montilla,

I am delighted to let you know that we have added your article (**D1DT04213K : Homochiral imidazolium-based dicarboxylate silver(I) compounds: synthesis, characterisation and antimicrobial properties**) to our quarterly HOT article collection on our website.

A 'HOT' article contains research, which has been highlighted by reviewers as being interesting and significant research for the inorganic chemistry community.

Dalton Transactions HOT articles

Your article will be free to access for 6 weeks.

You can access these articles using your institutional login or by creating an individual user account which is free to setup – [get an account now](#)

I would like to take this opportunity to thank you for publishing your article with us. I look forward to considering future submissions for publication in *Dalton Transactions*.

Kind regards,

Dr Andrew Shore

Editor, *Dalton Transactions*
