- E-mail: dponce@us.es

### EDUCATION

2003-2006 Universidad Politécnica de Cartagena  
**3 year-Bachelor of Science in Industrial Chemical Engineering**  
Intensification of Chemical Process  
Average qualification: 1'91 over 4

2006-2009 Universidad Politécnica de Cartagena  
**2<sup>nd</sup> cycle-Industrial Management Engineering**  
Intensification of Production Management  
Average qualification: 2'16 over 4

2008-09 Universidad de Murcia  
**Teaching Certificate**

2010-11 Universidad de Murcia  
**Extracurricular subjects at Faculty of Mathematics**

- Discrete Optimization and Graphs Theory.
- Linear Optimization.
- Nonlinear Optimization.

2012-13 Universidad de Sevilla  
**Master in Advanced Mathematics**  
Average qualification: 2'67 over 4  
Research topic: Discrete Ordered Median Problem  
Supervisor: Justo Puerto Albandoz

2013- Universidad de Sevilla  
**PhD Candidate in Operations Research**  
Research: Polyhedral Analysis of the Discrete Ordered Median Problem  
Supervisor: Justo Puerto Albandoz

## **PROFESSIONAL**

2009-2011 **High School Teacher**

2012-2016 Universidad de Sevilla

**Grant the Project FQM-5849 (Junta de Andalucía)**

**Main Researcher: Justo Puerto Albandoz.**

### **Teaching experience**

2013-2014 **Statistics in Biology** 8h (Universidad de Sevilla)

2013-2014 **Statistics in Computer Engineering** 12h (Universidad de Sevilla)

2013-2014 **Statistics in Health Engineering** 33h (Universidad de Sevilla)

## **COURSES**

\*DOC-COURSE IMUS 2012 “Triangulations and Extremal Graph Theory”.  
Seville, March 2012

\*Industrial and Environmental Day “El papel de las matemáticas en el desarrollo de la industria y la protección del medio ambiente”.  
Seville, June 2012

\*Winter School on Network Optimization 2013  
Estoril January 2013

\*“Pre-Doc Symposium on Mathematical Optimization”  
Sevilla, January-February 2013

\*ELAVIO 2013  
Valencia, September 2013

\*SEIO 2013  
Castellón, September 2013

## **LECTURES**

### **1. Polyhedral Analysis of the Discrete Ordered Median Problem**

Event:	ELAVIO 2013
Place and Date:	Valencia (Spain), September 9 <sup>th</sup> 2013
Coauthors:	M. Labbé and J. Puerto

### **2. Polyhedral Analysis of the Discrete Ordered Median Problem**

Event:	SEIO 2013
Place and Date:	Castellón (Spain), September 12 <sup>th</sup> 2013
Coauthors:	M. Labbé and J. Puerto

## **OTHER ACTIVITIES**

**Fellow of IMUS, Instituto de Matemáticas de la Universidad de Sevilla Antonio de Castro Brzezicki** since July 2012.

**Visiting Fellow, Department of Computer Science, Université Libre de Bruxelles**, Autumn 2013.

## **CURRENT SITUATION**

PhD candidate and assistant lecturer in the Department of Statistics and Operational Research, University of Seville.

Regards,

Diego Ponce López
